We had the absolute best day with Ava guiding us through Yellowstone! Her excitement and knowledge made our visit one that we will never forget. We are certain we would have missed out on many of the wonderful sights Yellowstone has to offer without her guidance. She was happy to answer all of our questions and fit right in with our fun loving group. We saw a great deal of wildlife and she was always willing to stop and let us take as many pictures as we wanted. And on top of all this, she provided us with a tasty picnic lunch.

You won't go wrong choosing Ava and White Pelican Tours. Ava, thanks for the memories that will last a lifetime. You are the best!
